

The Grain Shed

Teddy Benson

Farmers, Maltsters

Our story

- Bread and Baked Goods
- Beer
- Cooperative

Why we are doing it

- Our Why -
 - Baking goods that connect consumers directly to local and regional farms
 - Brewing beers that do the same thing
- How do you know it's working?
 - We are still doing it after 6 years!

Partners and their roles

- Straight from Farms, Some Distributors
- Cooperative Ownership

How are we sustaining this?

- Expansions
- B Corp Certification

How can others do this?

- What advice would you give others who want to do something similar? - Find a community of growers, and make excellent products
- What resources, partners, research, etc. would you suggest having in place or seeking out? - Perpetually look to grow your network of growers and processors.
- What are the most important ingredients for success (either tangible or intangible)? - GRAIN!

Lessons learned

- What have you learned along the way/what are the most important lessons you've learned? - Be prepared to adapt continuously.
